## #100333

This is truly a beautiful property with gradual rolling hills about 10 minutes outside of the Tina Mastes area. This Property is divided by a great river with nice swimming holes and fishing. There is also a palm plantation on the property, a great source of income and food. The whole property is very flat and bordered on both sides by roads making it very easy to access and build almost any where on the land. There is already a building lot cleared and concrete livestock pins on the land. There are tons of fruit and hard wood trees. 35 minutes to San Isidro de General 20 minutes to Playa Dominical 20 minutes to Playa Uvita on gravel road
