#100368 Steal this from the Bank!

This is a bank owned property at an incredible value. Hurry this place won't last long. There are many mature fruit trees on the land and a small creek right in the center of the land nice altitude close to the city center very flat and very usable land. There is a small hill in the back half of the land perfect to build a home and enjoy mountain views after a relaxing swim in the larger fronting the property on the other side of the road. Similar pieces of land in this area sell for more the \$100,000. Public utilities are about 300 meters from the entrance of the property, and connecting to the municipal electric and water would cost \$10,000-\$15,000.
