

Bargain Costa Rica Real Estate

\$5143000

#10071

The high mountain portion of this property features deep, beautiful valleys, waterfalls, ocean views and is full of animals from panther, jaguar, sloth, monkeys, toucans, lapas and much more. There are many building sites. Approximately 200 acres (80 hectares) The lower area of the property is a fine combination of ocean, valley and river views, A prime area for a Hotel perched high above the valleys with a view from Manuel Antonio to Jaco beach. Mixed into this, are waterfalls, rain forest, nature trails, also with a large number of building sites. A development package is available. The breathtaking beauty of the Pacific, particularly the contrast of hills and valleys meeting the sea, with islands scattered throughout the Gulf like precious jewels, is equaled only by its unspoiled tranquility and amiable people. The cares and worries of the outside world are forgotten, when you relax and enjoy the good living in Costa Rica. Whether you wish to come for holidays or build your own retirement or vacation home, or simply buy some land as an investment, take a look at how we can help you. If this property is not exactly what you are looking for we have many other properties available such as beach front, beach view, raw land, building sites, farms and ranches, existing homes and businesses.
